Winter Performance

Our winter performance will be the week of December 14-17 with shows at 6pm and 7:30pm each night. Your child's performance will be the night of their regular dance class, with the exception of Friday and Saturday classes, those classes will be on Wednesday or Thursday night. There will NOT be regular dance classes the week of Winter Performance. You need to drop off your Dancer 30 minutes before their performance time. Please check the Winter Performance schedule that is attached to this newsletter to see when your class is performing.
