

Hello Turning Pointe Families!

First and foremost, we do not want anyone to do anything they are not comfortable with. You and your child's health and safety is our number one concern. Below you will find our guidelines.

- Barres & Mats will be cleaned after each use.
- Face Masks will be worn by all Dancers, Teachers, Staff & Parents at all times, even during dance class.
- Masks will be worn by anyone over the age of two.
- Dancer's will be greeted at the door where their temperature will be taken and they are given hand sanitizer.

WHO SHOULD NOT COME TO CLASS INSIDE THE STUDIO:

- Any Dancer with a fever or who is not feeling well should stay home. (coughing sneezing, sore throat, runny nose, etc)
- If your Child has tested positive for COVID-19, your child needs to stay home for 10 days. Please contact Cathy Mae and Danielle if your child has tested positive for COVID-19.
- If your Child has been in close proximity and exposed to someone positive, they will also need to quarantine for 10 days. Please contact Cathy Mae and Danielle if your child has been exposed.
- Anyone who feels they cannot comply with all the procedures should also stay home and ask about taking our virtual Zoom classes.

These general COVID-19 protocols will be monitored and adjusted as needed for the safety of the Dancers, students, faculty, teachers and staff within our studio.

Please Note: If you would like to watch your child's class or they want to attend class virtually, please let us know and we will give you the ZOOM Meeting Information for your Dancer's Class.

Thank you for your continued patience and support.! If you have any questions, big or small, please don't hesitate to contact us - we are here for you!

Happiness & Blessings,

Miss Cathy Mae, Ms. D and all of the Turning Pointe Teachers & Staff
